

NVLF

MISSION

NVLFs mission is to advocate the individual and collective interests of its members in the broadest sense of the word.

The NVLF is engaged at a professional as well as a social-economic and societal level. It is continuously striving to improve the quality of speech and language therapy in The Netherlands .

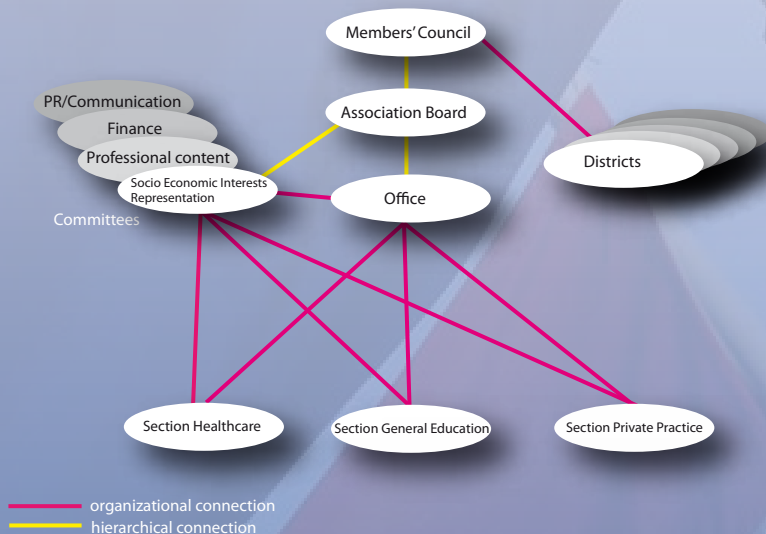

EDUCATION

Seven Dutch institutes for higher education are offering professional speech and language therapy education at Bachelor level, which attracts 500-600 students annually.

QUALITY CIRCLES

290 quality circles exist throughout the country in which speech and language therapists are working together to further improve the level of professional care in the Netherlands.

ORGANIZATION CHART

PROFESSIONAL AREAS

Speech and language therapists in the Netherlands are active in a diverse range of professional areas such as;

- General education
- Hospitals, nursing homes for the elderly
- Rehabilitation centres
- Institutional care for the mentally handicapped
- Private practices
- Higher music and drama education

NVLF's 85th jubilee

In 2012 we celebrate the jubilee of our 85th birthday of the Dutch Association for Speech Therapy and Phoniatriy

CPLOL 2012

NVLF represents over 4000 SLT's in the Netherlands and is member of the CPLOL. In 2012 the CPLOL congress will be held in the Hague, as the NVLF will celebrate its 85-year anniversary.

We look forward to organizing the CPLOL congress in cooperation with CPLOL.
